

GKX-1

REPLACEABLE BUTTON PAD WITH COLOR PICTOGRAMS FOR THE APT-200, MPT-300, MPT-350 KEYFOBS

Buttons of the **GKX-1** button pad have pictograms on them that represent: full arming, night arming, disarming, and control (horizontal and vertical direction). This makes it easier to remember individual functions called from the **APT-200**, **MPT-300**, **MPT-350** remote control keyfobs.

- range of use: **APT-200**, **MPT-300**, **MPT-350** keyfobs
- pictograms:
 - full arm
 - night arm
 - disarm
 - control – horizontal direction
 - control – vertical direction
